Officers Investigate Additional Threats at Bristol Business

BRISTOL- Today at approximately 12:25pm and again at 3:33pm, Elkhart County Sheriff's Department officers responded to two separate bomb threats that were made to Chassix, which is located at 51650 CR 33 in Bristol. As reported in a similar threat made to the business on November 12th, the first threat today was found by an employee in the men's bathroom. The 2nd call that was received today was made after the business received a threatening phone call that there was a bomb inside of the business.

Officers spent time at the business searching the building for bombs or suspicious packages. No items were located. Anyone with information on the person(s) responsible for making threats is encouraged to contact the Elkhart County Sheriff's Department at 574-891-2300. Those who make a false report about placing an explosive device inside of a building commit level 6 felony, which is punishable up to 2 1/2 years imprisonment.
